Musaffah
Workshop, Abu Dhabi

Established in 2021, Sea Line Marine Services L.L.C – S.P.C is a licensed Abu Dhabi company providing marine and oil industry services from its workshop in Musaffah. Our team of skilled technicians is passionate about boats and the oil industry, and trains regularly to stay current with the latest technologies and methods.

We serve private boat owners, commercial fleets, oil companies and maritime agencies – many through long-standing relationships built on quality and reliability.

Our Mission

To deliver top-quality marine and oil industry services that ensure the safety, performance and longevity of our clients' vessels and equipment.

Our Vision

To be the leading provider of marine services in the region, recognized for expertise, customer service and innovation.
